INVITATION FOR EXHIBITORS AND SPONSORS

8th International Symposium on Neuroprotection and Neurorepair 2014

April 9–12, 2014 | Magdeburg
Dear Partners and Colleagues,

The renowned International Symposium on Neuroprotection and Neurorepair (ISN&N, also known as the Magdeburg Meetings Series) provides a platform that spurs exchange on newest approaches and discoveries in the fields of stroke and neurodegenerative diseases by combing basic and clinical research.

As a partner or sponsor of the 8th ISN&N you will reach researchers and clinicians who fight at the forefront of neurological science and are highly interested in the progress made and support provided by the industry.

The ISN&N series is a continuous success story. The increasing numbers of attending experts and decision makers proofs the growing interest in the meeting and its topics. Thus, we expect about 350 participants for the upcoming meeting, which will offer a widespread range of opportunities for your company to interact with the attendees being outlined in this brochure. Also, special industry presentations and talks devoted to methodology and application-oriented developments can be included in the program upon request. Industry partners also have the opportunity to support specific sessions, speakers, poster prizes or young researchers from less developed regions.

Plenty of extensive breaks between the sessions as well as elaborate evening functions offer ample opportunities for basic researchers, clinicians and industry representatives to interact face-to-face and engage in-depth discussions.

Please browse through this brochure for more detailed information about potential business opportunities. In case of any further questions, requests or suggestions please do not hesitate to contact the congress bureau or myself.

We look forward to welcome you in Magdeburg!

Sincerely yours,

J. Boltze, MD, PhD | Chair of the Organizational Committee

Opening times of the exhibition
Wednesday, April 9, 2014: 1.00–9.00 pm (Get together at the exhibition area)
Thursday, April 10, 2014: 8.00 am–6.00 pm
Friday, April 11, 2014: 8.00 am–6.00 pm
Saturday, April 12, 2014: no exhibition
Participants
Up to 350 participants are expected to attend an outstanding scientific program. The related exhibition provides a unique opportunity to establish direct links to international scientists working in the fields of basic and clinical neuroscience.

Magdeburg
Magdeburg is not only the capital city of Saxony-Anhalt but also one of East Germany's oldest cities. 1200 years of incomparable history admit a fascinating journey across Middle Germany's heart. In doing so, you can experience relics of the former imperial residence, the hanseatic town, and of the Prussian fortresses nearly everywhere. To visit sacred buildings such as Lutheran "Cathedral of Saints Catherine and Maurice" or "Unser Lieben Frauen" Monastery just as going to see more modern attractions as for instance "Wasserstraßenkreuz Magdeburg" with its world's longest canal bridge, the "Green Citadel of Magdeburg", or the "Millennium Tower" are always worthwhile. Cityscape shaping public characters are vacuum technology and electrostatics cofounder Otto von Gericke – also known as Germany's Galilei – and baroque composer Georg Philipp Telemann, whose achievements and resulting memorials can be discovered throughout Magdeburg.
Maritim Hotel Magdeburg
Being built among a highly history-charged city with its unique buildings, the Maritim Hotel Magdeburg itself impresses with modern architecture. Above all, the 32 meters high glass gallery creates a magic atmosphere. The hotel is located only 200 meters away from main station right in the city center surrounded by countless shops and cafes. It consists of 514 elegantly furnished rooms, 12 suites as well as adequate conference rooms and involves the restaurant “Da Capo”. To make your stay as comfortable as possible, the Maritim Hotel Magdeburg offers numerous services, as for instance, a swimming pool, sauna and steam bath, massage, fitness, room service, and laundry – to name but a few.

Maritim Hotel Magdeburg
Otto-von-Guericke-Straße 87
39104 Magdeburg
MAIN TOPICS

- Vascular changes and the pathophysiology of stroke and dementia
- Neurodegeneration in stroke, Alzheimer dementia and Parkinson’s disease
- Glial cells, the blood brain barrier and the neurovascular unit
- Neuroregeneration, plasticity and rehabilitation
- Neurobiochemistry: molecular targets for neuroprotection
- Imaging and novel diagnostics
- Future research directions in basic and clinical neuroscience
- Neural network pathology in Alzheimer dementia
- Understanding and controlling neuroinflammation
- Clinical translation: novel thrombolytics and innovative treatment concepts

SPONSORING: PACKAGES AND SPECIAL OPTIONS

Platinum sponsor (no more than 2 companies)
- Official title of “Platinum sponsor”
- 12 sqm exhibition stand positioned next to the lecture hall
- Placement of a lecture (max. 20 minutes) in the scientific programme after consulting the scientific committee
- Your logo and name will appear on the page of the conference president’s foreword in the main programme along with a separate advertisement on the 3rd or 4th cover page (500 copies, 4-colour printing, DIN A5)
- Your logo, name and website link will all appear on every page of the website www.neurorepair-2014.de (including the start page)
- 6 free registrations for the congress (including booth personnel)

by appointment

Gold sponsor (no more than 3 companies)
- Official title of “Gold sponsor”
- 9 sqm exhibition stand
- Advertisement in the inner section of the main programme (500 copies, 4-colour printing, DIN A5)
- Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2014.de and in the main programme
- 3 free registrations for the congress (including booth personnel)

EUR 5,000.00 + 19% VAT
SPONSORING: PACKAGES AND SPECIAL OPTIONS

Silver sponsor + presenter
- Official title of “Silver sponsor”
- 6 sqm exhibition stand
- Placement of a lecture (max. 20 minutes) in the scientific programme after consulting the scientific committee
- Mention on the corresponding page in the main programme
- Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2014.de and in the main programme
- 3 free registrations (including the speaker and the booth personnel)

EUR 4,500.00 + 19% VAT

Presenter
- Placement of a lecture (max. 20 minutes) in the scientific programme after consulting the scientific committee
- Mention on the corresponding page in the main programme
- Your name will appear on the sponsors’ page in the main programme
- 1 free registration for the speaker

EUR 2,500.00 + 19% VAT

Exhibitor
- Official title of “Exhibitor”
- 6 sqm exhibition stand
- Your name will appear on the sponsors’ page in the main programme
- 2 free registrations for the congress (including booth personnel)

EUR 2,000.00 + 19% VAT
SPONSORING: PACKAGES AND SPECIAL OPTIONS

Individual exhibition stand
- Presentation stand at the exhibition
- Your name will appear on the sponsors’ page in the main programme

EUR 350.00 per sqm + 19% VAT

Advertisement in the main programme
- Advertisement in the inner section of the main programme (4-colour printing, DIN A5)
- Your name will appear on the sponsors’ page in the main programme

EUR 800.00 + 19% VAT

Postgraduate sponsorship
- Mention of your company on the corresponding page in the main programme
- Your name will appear on the sponsors’ page in the main programme

Postgraduate’s travel costs
(〜 EUR 1,500.00–2,000.00 + 19% VAT)

Logo on poster numbers on top of poster-walls
- Your logo will be printed on all poster numbers which are fixed on top of the poster-walls
- Your name will appear on the sponsors’ page in the main programme

EUR 500.00 + 19% VAT
Sponsoring: Packages and Special Options

Insertion in congress folders
- Company- or product flyer (please no large catalogues)
- Your name will appear on the sponsors’ page in the main programme

EUR 400.00 + 19% VAT

Insertion of logo and website-link on the congress-homepage and in the main programme (only combined with another package or option)
- Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2014.de and in the main programme

EUR 200.00 + 19% VAT

Insertion of logo and website-link on the congress-website, in the main programme and on a sponsor-poster on-site (only combined with another package or option)
- Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2014.de, in the main programme and on a sponsor-poster on-site

EUR 250.00 + 19% VAT

Insertion of logo and website-link on the congress-homepage (only combined with another package or option)
- Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2014.de

EUR 150.00 + 19% VAT

Should you prefer to speak with us in detail or have any additional ideas of your own you’d like to include, we will of course be delighted to assist – just get in touch with us!

Place / date

Company stamp / signature
1. Conclusion of contract
By completing and submitting the enclosed form, the sponsor hereby contracts various services. The contract is deemed concluded upon the organisers’ written acceptance of this offer.

2. Accompanying exhibition
By signing the registration form, the sponsor accepts the safety regulations of both the organisers and the Maritim Hotel Magdeburg. The space used for the accompanying exhibition must be of the size and shape agreed with the organisers. The organisers must be informed of any additional requirements in good time; any such extras are only permissible once approved in writing. Passageways, escape routes, emergency lighting, fire extinguishers and other fire-fighting facilities must not be blocked, concealed or covered up. The floors and walls of the premises are to be treated carefully and left in a proper condition. The sponsor / exhibitor shall be liable for all damage or injury caused by him / her. All police and other official regulations must be strictly observed at all times, including during erection and dismantling. The sponsor accepts the safety regulations of the TÜV technical inspectorate and other comparable institutions.

3. Direction / dismantling
The sponsor / exhibitor must dismantle and clear away the stand by the agreed time and return all furniture and fixtures hired. Any damage caused shall be cleaned and repaired at the expense of the sponsor / exhibitor. Should the stand not be cleared away in time, this work shall be carried out by the organisers at the expense of the sponsor. The sponsor shall be liable for all damage actually incurred.

4. Advertisements, extras, provisions
Printable files matching the specifications of the responsible printing contractor are to be supplied to the organisers by the date specified.

5. Payment
Invoicing shall take place immediately following confirmation of the offer by the organisers. This shall have no bearing on additional furnishings, additional costs or supplementary costs, for which the sponsor / exhibitor will be invoiced as soon as the event has closed.

6. Liability
The congress host and the organisers cannot accept any liability for damage or injury except in cases of intent or gross negligence. This shall not apply to injury to life and limb or to damage or injury arising from the violation of cardinal obligations.

7. Cancellation terms
No special agreements may be made owing to the resulting placing under obligation of third parties. Should a sponsoring package or one or more partial services be cancelled, a cancellation fee of 50% as of December 1, 2013 and 100% as of January 31, 2014 shall be levied by the organisers. Value added tax shall be added to all cancellation fees.

8. General legal provisions
Both parties declare that no other agreements or supplementary agreements going beyond this agreement have been reached. Any amendment to this contract must be made in writing to be effective. This also applies to the revocation of this clause requiring amendments to be in writing. Should any individual provisions of this contract be or become invalid, this shall have no effect on the validity of the remaining provisions. The parties undertake to replace any such invalid provisions by legal and executable provisions that are as close as economically possible to the parties’ intentions. This shall also apply to any loopholes discovered.

The place of fulfilment is Leipzig, Germany. The place of jurisdiction for any disputes arising from this contract is Leipzig, Germany.
