INVITATION FOR EXHIBITORS AND SPONSORS

9th International Symposium on Neuroprotection and Neurorepair 2016

April 19–22, 2016 | Leipzig
Dear Partners and Colleagues,

The renowned International Symposium on Neuroprotection and Neurorepair (ISN&N) provides a platform that spurs exchange on newest approaches and discoveries in the fields of stroke and neurodegenerative diseases. We are proud to announce that we will host the 9th ISN&N in Leipzig from April 19th to April 22nd, 2016. Leipzig is one of the most beautiful and prosperous German cities, attracting numerous visitors throughout the year. Our unique meeting location will be the Leipzig Zoo, which is famous for its spectacular and animal-friendly concept.

The scientific fields addressed by the ISN&N are of utmost socio-economic and clinical relevance. Stroke is still the third leading cause of death in most countries and the most prominent cause for permanent disability in adulthood. Additionally, a rapidly growing number of people suffer from neurodegenerative diseases such as dementia. Both, basic and clinical research on neuroprotection and neurorepair open the way for novel diagnostic or therapeutic strategies in the rapidly developing field of regenerative medicine.

Hence, the ISN&N series is a continuous success story. The steeply increasing numbers of participants including experts and decision makers proofs the growing interest in the meeting and its topics. For example, the 8th ISN&N, which took place in spring 2014 in Magdeburg, attracted 400 participants from academic research, clinics and industry. The meeting thereby exceeded our expectations by almost 20%.

As a sponsor or partner of the meeting, you will reach researchers and clinicians who fight at the forefront of neurological science and are highly interested in the progress made as well as the support provided by the industry. We expect about 430 participants for the 9th ISN&N, which will offer a widespread range of opportunities for your company to interact with the attendees being outlined in this brochure.

Special industry presentations and talks devoted to methodology and application-oriented developments can be included in the program upon request. Moreover, our new and unique sponsor value & convenience program (see page 17) will continuously attract meeting participants to the industrial exhibition.

Plenty of extensive breaks between the sessions as well as elaborate evening functions offer ample opportunity for attendees from basic science, clinics and industry to interact face-to-face and engage in-depth discussions. Industry partners also have the opportunity to support specific sessions, speakers, scientific prizes or young researchers from less developed regions.

Please browse through this brochure for more detailed information about potential business opportunities. In case of any further questions, requests or suggestions please do not hesitate to contact the congress bureau or myself.

We look forward to welcome you in Leipzig!

Sincerely yours,

J. Boltze, MD, PhD | Chair of the Organizational Committee
FACTS

DATE
April 19–22, 2016

CONFERENCE VENUE
Kongresshalle am Zoo
Zoo Leipzig GmbH
Pfaffendorfer Str. 29 | 04105 Leipzig | Germany

WEBSITE
www.neurorepair-2016.de

SCIENTIFIC HOST
Johannes Boltze, MD, PhD
Fraunhofer Institute for Cell Therapy and Immunology
Department of Ischemia Research
Perlickstraße 1 | 04103 Leipzig | Germany
johannes.boltze@izi.fraunhofer.de

MAIN TOPICS
• Translational stories: from bench to beside – and back
• Improving stroke care: imaging and novel diagnostics
• A point of view: current controversies in research and clinics
• Post-stroke immunity: Has the time come for clinical trials?
• New connections: neurorehabilitation and human brain plasticity
• Along the supply chain: the neurovasculature in stroke and dementia
… and many more

event lab. GmbH
Person of contact: Arnd Brannolte
Dufourstraße 15 | 04107 Leipzig | Germany
abrannolte@eventlab.org
Phone +49 341 240596-81
Fax +49 341 240596-51

TIMES OF THE EXHIBITION
Setting:
Tuesday, April 19, 2016: 09.00 am–12.30 pm
Exhibition:
Tuesday, April 19, 2016: 12.30–06.00 pm
Afterwards: Get together in exhibition area
Wednesday, April 20, 2016: 08.00 am–06.00 pm
Thursday, April 21, 2016: 08.00 am–04.30 pm
Friday, April 22, 2016: no exhibition
Dismantling:
Thursday, April 21, 2016: 04.30–07.00 pm

SOCIAL EVENTS
Get together in exhibition area / free poster viewing,
Tuesday, April 19, 2016
Gondwanaland tour and congress dinner,
Thursday, April 21, 2016
PREVIOUS CONFERENCES

PARTICIPANTS
Up to 430 participants are expected to attend an outstanding scientific program. The related exhibition provides a unique opportunity to establish direct links to international scientists working in the fields of basic and clinical neuroscience.
PREVIOUS CONFERENCES

PARTICIPANTS BY CONTINENT (2014)

Africa: 1 %
Oceania: 3 %
Asia: 9 %
America: 9 %
Europe: 81 %

PARTICIPANTS BY COUNTRY 2014 (EUROPE TOP 10)

Spain: 3 %
Austria: 3 %
Poland: 3 %
Denmark: 3 %
Sweden: 4 %
France: 4 %
Italy: 5 %
UK: 6 %
Russia: 13 %
Germany: 56 %
CONFERENCE VENUE AND THE CITY OF LEIPZIG

LEIPZIG – A VIVID METROPOLIS
Located in the heart of Germany and about one hour drive southwest of Berlin, Leipzig is one of the most prosperous German cities, enjoying an extraordinarily diverse and exciting city-flair. A university town, a place of business and trade, a city of leisure and nature as well as a cultural hub – Leipzig captivates its visitors and inhabitants every time anew with its wide range of festivals, cultural highlights and rich history.

Poets, composers and artists such as Goethe, Schiller and Bach have shaped the city’s old and strong cultural landscape for centuries. Today, this active cultural life can be experienced in the famous Gewandhaus, the St. Thomas church, the central theater or the Leipzig Opera house. Museums, collections and galleries of contemporary art are a proof of the hip art scene, currently emerging in Leipzig and attracting numerous creative people from larger, but meanwhile established and settled cultural hotspots.
Moreover, famous neuroscientists such as Paul Flechsig and Bernhard Katz studied and worked in Leipzig, contributing to its scientific reputation which is nowadays represented by one of the most modern European University hospitals as well as a powerful and productive research community.

The Leipzig Fair dates back 800 years and is regarded as the world’s oldest commercial and technical exhibition. In recent decades, Leipzig has also achieved economic success with important industry establishments including Porsche and BMW. Combined with an efficient traffic infrastructure, Leipzig has developed as an important hotspot for business and commerce and therefore follows its long reputation as significant center for trade and fairs.
CONGRESS HALL ZOO LEIPZIG

From autumn 2015 the renovated art nouveau congress hall adjacent to Zoo Leipzig will be available as a new venue for events. The Leipzig congress hall is an ideal location for congresses, conferences, company events, receptions, and evening events of every kind for up to 1500 people.
SCIENTIFIC TOPICS

- Challenges to improving clinical translation: The role of large animal models of CNS injury
- Imaging tools to advance the understanding of neuroinflammation
- Immunity in post-stroke neuronal damage and repair: The jury is still out
- Improving stroke care: Imaging and novel diagnostics
- Meet the chief editor: How to publish in high ranking journals?
- Modelling vascular contributions to cognitive impairment and dementia with Alzheimer’s disease
- New connections: Neurorehabilitation and human brain plasticity
- Non-cell autonomous mechanisms for neuroprotection and neurorepair
- Pathphysiology of vascular cognitive impairment
- Pharmacology of stroke recovery
- Post-stroke immunity: Has the time come for clinical trials?
- Pressure, penumbra and promising acute stroke therapies
- Proteases before, during and after stroke
- Protein expression and posttranslational modifications in neurodegenerative disorders
- Role of non-coding RNAs in neuroprotection and plasticity after stroke
- Roots and routes for stroke recovery
- The haunted hedge: The role of glial cells in injury and repair
- The role of blood in brain injury
- Thromboinflammation in stroke and other brain diseases
- Translational stories: From bench to beside – and back
- White matter mechanisms in CNS injury and disease

THURSDAY, APRIL 21, 2016

9:00–9:45 am
▸ Plenary lecture

9:45–10:30 am: Coffee break, industrial exhibition

10:30 am–12:00 pm (three parallel sessions)
▸ The haunted hedge: The role of glial cells in injury and repair
▸ Pharmacology of stroke recovery
▸ Thromboinflammation in stroke and other brain diseases

12:30–1:30 pm: Lunch break, industrial exhibition

1:00–2:30 pm
▸ Poster viewing

2:30–4:00 pm (three parallel sessions)
▸ Along the supply chain: The neurovasculature in stroke and dementia
▸ Imaging tools to advance the understanding of neuroinflammation
▸ The role of blood in brain injury

4:00–4:30 pm: Coffee break, industrial exhibition

4:30–5:30 pm (three parallel sessions)
▸ Selected from submitted abstracts
▸ Modelling vascular contributions to cognitive impairment and dementia with Alzheimer’s disease
▸ Challenges to improving clinical translation: The role of large animal models of CNS injury

6:00–22:00 pm: Gondwanaland tour and congress dinner

FRIDAY, APRIL 22, 2016

9:00–10:30 am
▸ Hemorrhagic stroke and cerebral microbleedings

10:10–10:30 am: Coffee break

10:30–11:40 am
▸ Targeting thromboinflammation: The future of acute stroke care?

11:30 am–12:15 pm
▸ Presidential closing lecture

12:15–12:45 pm
▸ Closing ceremony

SPONSOR VALUE & CONVENIENCE PROGRAM

The sponsor value & convenience program maximizes the benefit for sponsors and partners of the 9th ISN&N. It consists of complementary basic elements for the benefit of all partners (see below) and sponsoring packages (see pages 14–16), which can further be complemented by additional “convenience program” options (see pages 17–18), particularly designed to draw visitor’s attention to your booth or presentation.

COMPLIMENTARY BASIC ELEMENTS

Each booth visitor being truly interested in the respective information and offers provided may receive a ticket provided by the booth personnel. Each ticket takes part in a lottery, containing the following attractive prizes:

- 3x private “behind the scenes” tour through the Leipzig Zoo, guided by a senior animal caretaker. Such tours are not available to regular visitors. The tour includes chats with animal caretakers, veterinarians and close animal contact. A regular Zoo visit is included as well, of course.
- 3x free ticket for the congress banquet
- 3x registration fee waivers for the 10th ISN&N

Moreover, the logos of all sponsors and partners will be displayed on various large scale screens during meeting breaks. In addition, following services are provided for free to any sponsor / exhibitor:

- “Hot Wire” to the scientific committee, especially Johannes Boltze, MD, PhD.
- Consulting service on how to design your booth best for the exhibition area, includes help with organizing additional items such as flowers etc.
- Creation of an exact booth-plan. So you are able to know your “neighbours” in advance.
- Disclosing your support and amount if you are liable to any codices.
- “Helping hand” when setting up your booth or carrying your goods on-site.
- We will warn / inform you when your goods have not arrived in the venue prior to the set up.
SPONSORING:
PREMIUM PACKAGES (INCLUDING EXHIBITION)

### PLATINUM SPONSOR
(NO MORE THAN 2 COMPANIES)
- Official title of “Platinum sponsor”
- 12 sqm exhibition stand in a premium position
- Placement of a lecture (max. 20 minutes) in the scientific program after consulting the scientific committee
- Your logo and name will appear on the page of the conference president’s foreword in the main program along with a separate advertisement on the 3rd or 4th cover page (500 copies, 4-colour printing, DIN A5)
- Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2016.de and in the main program
- 6 free registrations for the congress (including booth personnel)

### GOLD SPONSOR
(NO MORE THAN 3 COMPANIES)
- Official title of “Gold sponsor”
- 9 sqm exhibition stand in a premium position
- Advertisement in the inner section of the main program (500 copies, 4-colour printing, DIN A5)
- Your logo, name and website link will all appear on every page of the website www.neurorepair-2016.de (including the start page)
- 4 free registrations for the congress (including booth personnel)

EUR 4000 + 19 % VAT

Further support by appointment. Should you prefer to speak with us in detail or have any additional ideas of your own you’d like to include, we will of course be delighted to assist – just get in touch with us!
SPONSORING:
PRESENTATION AND EXHIBITION PACKAGES

SILVER SPONSOR + PRESENTER
- Official title of "Silver sponsor"
- 6 sqm exhibition stand
- Placement of a lecture (max. 20 minutes) in the scientific program after consulting the scientific committee
- Mention on the corresponding page in the main program
- Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2016.de and in the main program
- 3 free registrations (including the speaker and the booth personnel)

PRESENTER
- Placement of a lecture (max. 20 minutes) in the scientific program after consulting the scientific committee
- Mention on the corresponding page in the main program
- Your name will appear on the sponsors’ page in the main program
- 1 free registration for the speaker

INDIVIDUAL EXHIBITION STAND
- Presentation stand at the exhibition
- Your name will appear on the sponsors’ page in the main program

EXHIBITOR
- Official title of "Exhibitor"
- 6 sqm exhibition stand
- Your name will appear on the sponsors’ page in the main program
- 2 free registrations for the congress (including booth personnel)

Further support by appointment. Should you prefer to speak with us in detail or have any additional ideas of your own you’d like to include, we will of course be delighted to assist – just get in touch with us!
SPONSORING:
OTHER OPTIONS (EXCLUDING BOOTH SPACE)

ADVERTISEMENT IN THE MAIN PROGRAM
- Advertisement in the inner section of the main program
  (4-colour printing, DIN A5)
- Your name will appear on the sponsors’ page in the main program

LOGO ON POSTER NUMBERS ON TOP OF POSTER-WALLS
- Your logo will be printed on all poster numbers which are fixed on top of the poster-walls
- Your name will appear on the sponsors’ page in the main program

INSERTION IN CONGRESS FOLDERS
- Company- or product flyer (please no large catalogues)
- Your name will appear on the sponsors’ page in the main program

INSERTION OF LOGO AND WEBSITE-LINK ON THE CONGRESS-WEBSITE, IN THE MAIN PROGRAM AND ON A SPONSOR-POSTER ON-SITE (only combined with another package or option)
Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2016.de, in the main program and on a sponsor-poster on-site

INSERTION OF LOGO AND WEBSITE-LINK ON THE CONGRESS-WEBSITE AND IN THE MAIN PROGRAM (only combined with another package or option)
Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2016.de and in the main program

INSERTION OF LOGO AND WEBSITE-LINK ON THE CONGRESS-WEBSITE (only combined with another package or option)
Your logo, name and website link will all appear on the sponsors’ page of www.neurorepair-2016.de

EUR 800 + 19 % VAT
EUR 500 + 19 % VAT
EUR 400 + 19 % VAT
EUR 250 + 19 % VAT
EUR 200 + 19 % VAT
EUR 150 + 19 % VAT
SPONSORING: CONVENIENCE PROGRAM PACKAGES

THE IMPORTANT INFORMATION PACKAGE
Abstracts of meeting lectures and minisymposia will not be available online or as printed material, but will be provided on jump drives. The drives will also contain a compilation of selected talks in PDF format. Up to 4 partners can receive a number of jump drives to hand out to visitors at the industrial exhibition. It will be announced which company will provide the drives.

EUR 100 (per 10 jump drives) + 19 % VAT

THE GOOD CONNECTION PACKAGE
The congress venue cannot provide free WiFi to meeting participants. Sponsors and partners may purchase WiFi access tickets to be provided to booth visitors. The WiFi information package can comprise 10 tickets or more. It will be announced which company will provide the tickets.

EUR 75 (per 10 access tickets) + 19 % VAT

THE EAT & MEET PACKAGE
(Scientific Lunch Symposia)
Sponsors and partners receive the opportunity to invite meeting participants to specific lunch symposia to a designated area. Lunch symposia can be organized to the sponsor’s convenience, ranging from scientific talks, product information or just a convenient mingling opportunity. Superior catering will be provided for lunch symposia. No more than 2 lunch symposia can be provided.

EUR 750 + 19 % VAT

by appointment (depending on catering concept)

THE SPONSOR VISIBILITY PACKAGE
Regular catering during breaks will be provided in a setup allowing for close interaction of meeting participants and sponsors. To even increase sponsor visibility, catering points will be assorted around prominent spots, carrying the sponsor’s logo and displays according to sponsor’s preferences. No more than 3 visibility packages are available.

EUR 750 + 19 % VAT

Further support by appointment. Should you prefer to speak with us in detail or have any additional ideas of your own you’d like to include, we will of course be delighted to assist – just get in touch with us!
**THE EVENT SUPPORTER PACKAGE**
Sponsors and partners can support scientific prizes, particular scientific session, evening functions or events. The respective program item, the “Science Slam”, “The Klaus Reymann Young Scientist’s Award” or “The Georg Reiser Prize on Neurobiochemistry”, will be named after and advertised with the supporter’s logo and name, e. g. the “Opening Ceremony, supported by The Lab Supplier Company Inc.”. Sponsors supporting the conference banquets will be listed on the menu and will be announced at the Banquet Opening Speech.

Supporter Package I (scientific sessions and minisymposia)  
(maximum 5 supporters)  
**EUR 500 + 19 % VAT**

Supporter Package II (conference banquet)  
(maximum 2 supporters)  
**EUR 500 + 19 % VAT**

Supporter Package III (“Science Slam”, “The Klaus Reymann Young Scientist’s Award” or “The Georg Reiser Prize on Neurobiochemistry”)  
(maximum 1 supporter each)  
**EUR 500 + 19 % VAT**

**THE ONE SCIENTIFIC WORLD PACKAGE**
Sponsors and partners can support travel and meeting costs for attendees from less developed regions who provided extraordinary contributions to the meeting. Contribution quality is assessed by the ISN&N Scientific Board and abstract reviewers. The amount of the support can be chosen freely, with a minimum value of 500 Euros being recommended. Sponsors and partners choosing the One Scientific World Package will be especially honored during the opening and closing ceremony, in the scientific program, before the supported individual’s presentation, as well as on screens.

Further support by appointment. Should you prefer to speak with us in detail or have any additional ideas of your own you’d like to include, we will of course be delighted to assist – just get in touch with us!
REGISTRATION

YES, we’d like to support the 9th International Symposium on Neuroprotection and Neurorepair in Leipzig, Germany (April 19–22, 2016). Please accept our binding registration.

PACKAGES

☐ Platinum sponsor – by appointment
☐ Gold sponsor – EUR 4,000.00
☐ Silver sponsor + presenter – EUR 3,500.00
☐ Presenter – EUR 2,000.00
☐ Exhibitor (6sqm) – EUR 1,750.00

SPECIALS

☐ Individual exhibition stand – EUR 300 per sqm | No. of sqm: ____________

☐ Advertisement in the main program – EUR 800.00
☐ Logo on poster numbers – EUR 500.00
☐ Insertion in congress folders – EUR 400.00
☐ Logo on website, main program and poster – EUR 250.00
☐ Logo on website and main program – EUR 200.00
☐ Logo on website – EUR 150.00

CONVENIENCE PACKAGES

☐ Important Information – EUR 100
☐ Good Connection – EUR 75
☐ Eat & Meet (Scientific Lunch Symposia) – by appointment
☐ Visibility – EUR 750
☐ Event Supporter – EUR 500
☐ One Scientific World – minimum EUR 500, further support by appointment

All prices listed are subject to 19 % VAT for German companies. All other companies are VAT-free. But we require EU-VAT-No. or certificate of registration.

Place / date                                               Company stamp / signature
1. CONCLUSION OF CONTRACT
By completing and submitting the enclosed form, the sponsor hereby contracts various services. The contract is deemed concluded upon the organisers’ written acceptance of this offer.

2. ACCOMPANYING EXHIBITION
By signing the registration form, the sponsor accepts the safety regulations of both the organisers and the Kongresshalle Leipzig. The space used for the accompanying exhibition must be of the size and shape agreed with the organisers. The organisers must be informed of any additional requirements in good time; any such extras are only permissible once approved in writing. Passageways, escape routes, emergency lighting, fire extinguishers and other fire-fighting facilities must not be blocked, concealed or covered up. The floors and walls of the premises are to be treated carefully and left in a proper condition. The sponsor / exhibitor shall be liable for all damage or injury caused by him / her. All police and other official regulations must be strictly observed at all times, including during erection and dismantling. The sponsor accepts the safety regulations of the TÜV technical inspectorate and other comparable institutions.

3. DIRECTION / DISMANTLING
The sponsor / exhibitor must dismantle and clear away the stand by the agreed time and return all furniture and fixtures hired. Any damage caused shall be cleaned and repaired at the expense of the sponsor / exhibitor. Should the stand not be cleared away in time, this work shall be carried out by the organisers at the expense of the sponsor. The sponsor shall be liable for all damage actually incurred.

4. ADVERTISEMENTS, EXTRAS, PROVISIONS
Printable files matching the specifications of the responsible printing contractor are to be supplied to the organisers by the date specified.

5. PAYMENT
Invoicing shall take place immediately following confirmation of the offer by the organisers. This shall have no bearing on additional furnishings, additional costs or supplementary costs, for which the sponsor / exhibitor will be invoiced as soon as the event has closed.

6. LIABILITY
The congress host and the organisers cannot accept any liability for damage or injury except in cases of intent or gross negligence. This shall not apply to injury to life and limb or to damage or injury arising from the violation of cardinal obligations.

7. CANCELLATION TERMS
No special agreements may be made owing to the resulting placing under obligation of third parties. Should a sponsoring package or one or more partial services be cancelled, a cancellation fee of 50 % as of December 1, 2015 and 100 % as of January 31, 2016 shall be levied by the organisers. Value added tax shall be added to all cancellation fees.

8. GENERAL LEGAL PROVISIONS
Both parties declare that no other agreements or supplementary agreements going beyond this agreement have been reached. Any amendment to this contract must be made in writing to be effective. This also applies to the revocation of this clause requiring amendments to be in writing. Should any individual provisions of this contract be or become invalid, this shall have no effect on the validity of the remaining provisions. The parties undertake to replace any such invalid provisions by legal and executable provisions that are as close as economically possible to the parties’ intentions. This shall also apply to any loopholes discovered.

The place of fulfilment is Leipzig, Germany. The place of jurisdiction for any disputes arising from this contract is Leipzig, Germany.
